Full Monty (31.5 Miles)

Prepare yourself for the ultimate challenge! This event is not for the faint of heart. You'll conquer the Brown loop, the Blue lap, the connector trail, and the Green loop at Emma Carlin. By the end, you'll feel like you've climbed Mt Everest, minus the sherpas.

Tour de Muir (18 Miles)

This EVENT will have you traversing 95% of All the Trails at the John Muir Trails in one Ride. Some Easy Trail, some HARD, some &@^, and A!Challenging - but FUN! This will be an EPIC RIDE! You Will have the Thrill of Riding the John Muir Loops and discover why the Whole Trail System has become a Legend!

FCF Classic (13.6 Miles)

This event is a classic for a reason. One lap of the Brown loop and one lap of the Blue loop will have you questioning your life choices, but in a good way. It's the perfect mix of challenge and fun, like a rollercoaster that you have to pedal yourself.

Short and Fast (5 Miles)

Don't let the name fool you; this event is packed with excitement. One lap of the Brown loop and one lap of the White loop will leave you breathless and begging for more. It's short, it's fast, and it's a whole lot of fun.

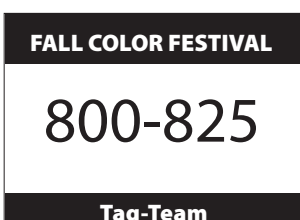

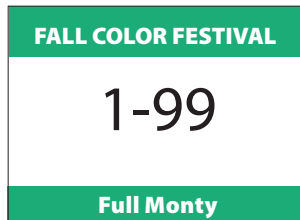

Parent / Child Tag-Team Event (1.8 Miles)

This event is the perfect bonding experience. The child takes on one lap of the Brown loop, and then it's the parent's turn. It's like a relay race, but with more dirt and fewer batons. Get ready to cheer each other on and create memories that will last a lifetime.

Children's Ride

Our mountain bikers-in-training will love this free event. It's a short loop designed to introduce kids to the basics of mountain biking. Think of it as a mini-adventure, with proud parents cheering on the next mountain biking champions!
